Premier's Office Furniture Business Still Growing

Despite a still uncertain economic climate, Premier has continued to see an increase in activity in the Office Furniture market, particularly within the Commercial and Private sectors.

Although Public authority business has understandably shown slower growth due to financial constraints, many essential projects are still on stream, such as the opening of the new Blackburn 6 Day Market, for which Premier supplied all of the furniture and many of the fittings required within the market area.

New Reception area for Crown Paints Darwen supplied and installed by Premier Office Supplies using local manufacturers GGI and Mercol.

CROWN PAINTS

Premier is the sole contractor of all office furniture to:

**Blackburn with Darwen Borough Council
Preston City Council**

We are also the main supplier of office furniture to:

**Fylde Borough Council, Wyre Borough Council
Ribble Valley Borough Council**

And a major supplier to **South Ribble Borough Council**

We continue to support the local economy with the majority of all office furniture which we supply, being purchased within the East Lancashire area.

BHM Office Supplies Acquired By Premier

Premier recently purchased the Blackpool based office supplies company BHM giving us even greater presence on the Fylde Coast where we already have an extensive customer base.

We are actively seeking further acquisitions within the office supplies industry that we feel could be a good fit for Premier's continuing growth.

Premier Office Supplies Awarded Crown Paints Contract

After a successful tendering process, Premier has been awarded the office supplies contract for Crown Paints of Darwen, which will see Premier supplying all the office supplies to Crown Paints main sites in Darwen, Warrington and Hull over the next two years. In addition Premier will also be supplying to all of the Crown Decorating Centres throughout the U.K.

Premier Achieves ISO 14001 Environmental and ISO 9001 Quality Standards

We are pleased to advise that Premier has gained the UKAS accredited ISO 9001 and ISO 14001 standards. We were particularly pleased when one of the senior auditors vetting our Company declared that our audit trail was one of the best that she had experienced in all her years of auditing potential ISO applications.
